

# **NAWGJ VOTING – PLATFORM & PROCEDURES**

## **Platform**

NAWGJ uses The Voting Place for all its elections.

The Voting Place has secret ballots and strong encryption. Your vote is entirely confidential and secret. The administrator cannot see how you vote or who has voted. They can only see how many have voted until the election has ended. This enables us to run elections in a professional and fair manner.

The Voting Place can be accessed with this link: <https://votingplace.net/>

## **Procedures**

You will need your NAWGJ number in order to cast a ballot. Your number can be located in your profile on Wild Apricot which you can access through the NAWGJ membership site.

When an election begins, you will receive an email from the election administrator, usually your RJD, letting you know who is asking for your vote. Depending on how you have configured your email filters, it may go to your Spam folder, so be sure to check it.

Candidate Application Forms will be available on NAWGJ.org.

If you have any difficulties, please contact your RJD or the Vice President for help.
