7. The maximum run distance for mounts on uneven bars and balance beam during championships competition is 27 ½’. If more than 27 ½’ of matting exists, the maximum run distance must be marked. **If the gymnast exceeds the 27 ½’ run distance a .10 deduction will be assessed.**

# National Association of Women's Gymnastic Judges

## Code of Professional Responsibility

### Preamble and Preliminary Statement

#### Preamble

In fulfilling the role of a women's gymnastic judge, the individual judge assumes a role that requires the performance of many difficult tasks not all of which can be foreseen. It is the purpose of the Code of Professional Responsibility to provide the fundamental ethical principles which are always present to guide the judges so as to insure, as best it can be insured, that the judge's conduct will be such as will be responsible and promote respect for the dignity not only of the judge but also for the Association of which she/he is a part. The Code of Professional Responsibility is intended to provide standards by which to judge one charged with being a transgressor of the Code and to provide the procedures whereby the Association and the judge may be dealt with in a fair and just manner. The fulfillment of the role of a women's gymnastic judge who is a part of the National Association of Women's Gymnastic Judges requires an understanding by the individual judge of her/his relationship with and function in a well ordered and justly administered system of judging women's gymnastics events and it is this which creates and give rise to the consequent or resultant obligation on the part of the individual judge to maintain the highest standards of ethical conduct and personal and professional integrity at all times.

#### Preliminary Statement

This Code of Professional Responsibility consists of three but interrelated parts: Canons, Disciplinary Rules and Disciplinary Action. The Canons express in general terms the conduct expected of women's gymnastic judges in their relationship with the public, with the Association and with the profession of judging in general; the Canons embody the general concepts from which the ethical consideration and disciplinary rules are derived. The Disciplinary Rules are mandatory and set forth the minimum level of conduct below which no judge who is a member of the Association can fall and will be uniformly applied to all members. Permeating both the Canons and the Disciplinary Rules are matters of ethics which represent the objective toward which every member of the Association should strive.

#### Canons

- CANON 1:** A judge should assist in maintaining the integrity and competence of the profession of judging women's gymnastic events.
- CANON 2:** A judge should assist the Association in fulfilling its duty to make judges for women's gymnastic events available.

- CANON 5:** A judge shall be well qualified in gymnastics, know the rules and be thoroughly prepared for each assignment.

- CANON 9:** A judge should not give any appearance, especially at a meet, of any particular friendship with any coach or competitor.
- CANON 10:** A judge should never consume alcoholic beverages prior to a judging assignment where such consumption is evident by virtue of the odor thereof about her / his person or is reflected in her / his conduct and demeanor.

- CANON 23: A judge should decline any assignment in which affiliation with a team or individuals would tend to influence the judge's judgment and the judge's ability to be fair, impartial and objective.

- RULE 12:** A judge shall not purport to undertake to speak for or in the name of the Association to the press or other media or any other person or entity without first having requested and received from the Association express prior permission and approval so to speak.

## Disciplinary Action

A judge who violates any of the foregoing Canons or Disciplinary Rules is subject to disciplinary action by the Association, which action, if undertaken, shall be undertaken in the following manner:

**A. REPORTING A VIOLATION - GRIEVANCE:** A party desiring to report a violation of this Code by a member of this Association to this Association shall do so by certified letter addressed to the State Judging Director for the State in which the violation is alleged to have occurred. Such a report shall be deemed to be and shall be referred to as a “grievance” and shall state in detail the nature of the violation of which complaint is made and the details and circumstances of its occurrence.

**B. DISPOSITION OF GRIEVANCE - PROCEDURE:** The State Judging Director in receipt of such grievance shall transmit a copy thereof to the party who is the subject of the grievance and this shall be by registered or certified mail, return receipt requested, with delivery restricted to the addressee only. The envelope in which same is transmitted to such party shall be plainly marked “Personal and Confidential” so as to further insure the confidentiality of the matter at this stage of the proceedings. The State Judging Director shall upon receipt of such grievance convene a panel comprised of such State Judging Director and two other State Judging Directors of her/his selection within the same Region as the State of violation.

(a) A date, time and place shall be fixed for the hearing of the grievance and the party who is the object of such grievance shall be informed and advised in writing of the date, time and location of the hearing (as well as the composition of the panel to hear same) and shall be accorded a reasonable opportunity to appear personally before the panel and to present testimony or other evidence in defense of the charge.

(b) It shall be optional with the reporting party to attend or not to attend such hearing. The party who is the object of the grievance may elect to present her/his evidence in written form for the consideration of the panel and may elect not appear personally.

(c) The panel shall, within thirty (30) days from and after the conclusion of the hearing or the review of the written submissions render its decision as to the merit or lack of merit of the grievance.

(d) In the event that the grievance is found by a majority of the panel to be without merit, the matter shall thereupon terminate and no further action on such grievance shall be taken either by the panel, the party, the party who is the object of such grievance or the reporting party and the panel shall make its findings in written form and shall transmit a copy of its findings to the reporting party, to the party against whom the proceedings were initiated and to the National Judging Director for inclusion in the official records of this Association.

(e) In the event that the grievance is found by a majority of the panel to have merit and disciplinary action (as hereinafter delineated) is taken or to be taken, then, in such event, a report of the panel’s findings shall be provided to the reporting party, the party reported upon and to the National Judging Director. The party reported upon and against whom action is to be taken shall have the right to the appeal and findings and judgment if, and only if, less than a unanimous finding and judgment was made by the panel. Such an appeal shall be to the Regional Director whose Region includes the State in which the alleged violation occurred. Such Regional Director shall refer a copy of the record as developed during the proceedings before the State Judging Director to two other Regional Directors of her/his selection and they, solely upon the record thus made at the State Judging Director’s level and exclusive of any appearance by the reporting party, the aggrieved party or any other party, such panel shall, within thirty (30) days from and after receipt by all three Regional Judging Directors of a copy of such record make their findings and judgment on the record thus presented and by the majority vote of such panel shall either affirm or sustain or reverse the findings and judgment of the State Judging Director’s panel. In the event that the judgment of the State Judging Director’s panel’s action is reversed and the aggrieved party is thereby exonerated, the matter shall end at that point and there shall be no further proceedings or appeals. In the event that the State Judging Directors panel’s findings and judgments are sustained then the matter shall, likewise end; provided, however, that in the event the State Judging Director’s panel’s findings and judgment are sustained by less than a unanimous vote of the Regional Director’s panel, then in such event, the aggrieved party may initiate a further appeal in like manner and within the same time period to a panel composed of the Association’s National Judging Director and two Governing Board

Members appointed by her. The Findings and Judgment of the Regional Judging Director's panel shall be sent to the reporting party, the aggrieved party and to the National Judging Director for inclusion in the Association's records.

(f) An appeal to the National Judging Director shall be conducted and resolved in manner similar to that of the resolution of an appeal at the Regional level and shall be based upon the record as initially made at the State Judging Director's level, which record shall be transmitted to the National Judging Director upon her/his request and copies thereof provided to the two Governing Board members by her/him appointed for the purpose of resolving the appeal. At this final level of appeal, a decision of the majority of the panel thus constituted shall be final and there shall be no further appeal permitted

(g) All such appeals which the aggrieved person intends to initiate shall be initiated by her/him within fifteen (15) days after receipt by her/him of a copy of the findings from the hearing last held and conducted (or, if not a hearing, the findings resulting from a appeal) in the matter of the subject grievance and with respect to which a majority or more of the panel sustained the grievance. Initiation of an appeal shall be by letter from the aggrieved party that she/he desires the matter be heard by the next higher level of authority within the Association as herein provided. Such letter requesting this appeal shall be termed a "Notice of Appeal" and shall be sent by the aggrieved party by certified mail to the State Judging Director or the Regional Judging Director, as the case may be, who last heard the matter and who was the director selecting the other members of the panel which heard the matter. The date of the posting or delivery of the notice of appeal, whichever shall be sooner, shall be the date of the initiation of the appeal.

(h) There shall be no appeal from a grievance which a majority of any of the panels herein mentioned found to be without merit. In the event that a majority or more of any panel is unable to agree within the allotted time whether or not a grievance is or is without merit, then, in such event, it shall be deemed that the grievance was without merit.

**C. PENALTY - IMPOSITION:** The punishment of penalty for a violation of this Code shall be not more than any one of the following for each violation and the punishment to be administered shall be solely and exclusively in the discretion of the panel hearing the matter in the first instance, provided, however, that in fixing the punishment to be administered the panel shall give due consideration to the relative gravity of the offense, the number of previous offenses or infractions by the aggrieved party, if any, and the mitigating or extenuating factors and circumstances bearing upon the infraction as be known to or otherwise brought to the attention of the panel, to-wit:

- (a) Letter of reprimand - private - sent only to the aggrieved party and the reporting party;
- (b) Letter of reprimand together with the public reprimand in any publication, newsletter or like item published, issued or sponsored by the Association;
- (c) Loss of rotation (period to be fixed and determined by the panel but in no event to be in excess of a period of two years);
- (d) Expulsion from the Association for a fixed period of time but not to exceed five (5) years;
- (e) Permanent expulsion from the Association.

The penalties for which provision is herein provided shall be effective fifteen (15) days from and after the date of communication of same to the aggrieved party (same to be part of the findings and judgment of the panel); provided, however, that the initiation of an appeal as herein and within the time for which provision is herein made shall stay the imposition of such penalty pending the resolution of the appeal and any subsequent appeal taken as herein provided.

In the event that the aggrieved party is a State Judging Director, a Regional Judging Director or an Officer (other than the National Judging Director, then, in such event, in the case of State and Regional Directors and Officers other than the National Judging Director, the National Judging Director shall designate an appropriate replacement to act as part of the panel instead of the aggrieved party to decide such grievance. If the aggrieved party is the National Judging Director, then, in such event, the replacement shall be designated by the Governing Board of the Association.

The panel to which an appeal has been taken shall have the prerogative of sustaining the findings and judgment of the panel from which the appeal was taken but a majority of such panel to which appeal was taken shall also have the prerogative of modifying the penalty imposed by, and only by, reducing the severity thereof.

# 2005 NCAA Web-based Collegiate Assigning

By Carole Ide, National Coordinator

The Judges Assigning System (JAS) for collegiate competitions is being implemented for the 2005 competitive season. It is optional for institutions to use the system for 2005. As of October, 64 of 85 schools have chosen to participate. The NCAA voted to make it mandatory for the 2006 season. This is an exciting endeavor and the National Association of Collegiate Gymnastics Coaches/Women (NACGC/W) and their committee is commended for their vision and support. The teams have entered their requests for officials and the judges are entering their availability into the system. As this goes to print, the 12 assigners are working to fulfill the requests of the colleges. Change is difficult but it is the hope of NAWGJ that the judging community accepts these changes with a positive attitude. Currently there are over 475 judges entered into the system. We will do our best to include Level 10 and new judges to the collegiate program. Where you will be assigned may depend on the requests of the colleges and universities in your area. Not all schools have budgets to bring in judges from all across the USA.

## The system was proposed and supported by the NACGC/W with the following rationale:

- To eliminate bias
- To eliminate the intimidation factor
- To develop consistency in officiating across the country
- To control costs
- To discontinue selection of judges by coaches and meet sites and events by judges
- To create a system for impartial assignments for meets and events
- To lay the groundwork for future development of an educational component

One goal of the program is to remove the hiring of officials from the individual school. Judges will only be able to designate when they are available and how far they are willing to travel. A judge will not be able to select one school over another. The schools cannot select a judge except for the case of a non-scoring extra judge such as an additional Meet Referee.

The NCAA coaches have reiterated that they want consistent scoring with judges applying the specific NCAA rule modifications and all JO rules applied to their athletes in a fair and consistent manner as written. When accepting a collegiate assignment it is our responsibility *to know and apply the rules*.

A committee of NAWGJ National Governing Board members selected twelve assigners based on an application process. They will be assigning for specific colleges and universities, not assigning a particular region or a state. The assigners are:

Carole Ide	Nat'l. Coordinator	<a href="mailto:ci.nawgj@adelphia.net">ci.nawgj@adelphia.net</a>

Since the program is a national program, you may be asked to travel based on the specific needs and budgets of the universities. The schools will send the contract and pay the judge. They will also arrange for airline tickets and other travel related expenses if required. The range in honorariums will vary, but it is never less than the recommended NAWGJ fee for your rating level for a two-hour competition. The schools all have different pay scales. The decision was made that in order to have the system accepted and used this season it wasn't possible to have every school pay the same fee as their budgets have already been set for the year. Some of the lower paying schools may be on a four-year plan to bring their fees in line. Mileage and per diem will be by NAWGJ guidelines. In most cases the mileage rate is .37 per mile (there are a few state mandated exceptions) with NO deduction of 30 miles.

# Guide to the Judges Assigning System (JAS)

You must be a Level 10 or higher rated official. The following information will guide you through the process. It is best to read the entire page of instructions before proceeding. Log on to <http://judges.troester.com> (**NOTE:** There is no www.) You can also click the link on the NCAA page at [www.nawgj.org](http://www.nawgj.org).

- 1 Click on the **Judges** link .
- 2 Click on **Set-up New Account for Yourself**.
- 3 *Do not enter your name a second time under any circumstance.*
- 5 Enter the requested information. When you select your password, use lower case letters. The password field is case sensitive. You may use numbers. Write it down in a safe place. We cannot access your password once you have entered it.
- 6 If you do not have a work phone, leave the field blank.
- 7 You may enter more than one airport. If you know the correct airport, code please use it. As an example, I entered HHH/SAV. I can fly from either airport.
- 8 You may list your favorite events to judge but there is no guarantee you will be assigned this event. If you do not wish to judge an event do not list it. Remember, if you receive a championship or regional meet contract, you may not be able to select an event.
- 9 Team Affiliation is not where you graduated or attended. If you coach, have a relative that coaches, etc. or competed for a team, enter it here. If it was 20 years ago, you may say that it was 20 years ago.
- 10 A weekday is Monday through Thursday. We will consider Friday evening meets to be a weekend.
- 11 Enter the number of college meets you are willing to do in one weekend.
- 12 When you have completed the page, click **OK**. Only click **Reset** if you have a correction. For example, you enter your basic information and a month later your phone number changes. You may go back in, click **Reset**, enter the new information and then click **OK**.
- 13 Click on **Edit General Availability**.
- 14 Enter the details of your personal schedule. For instance, you may be able to leave your house at 7:00AM on a Saturday but because you work during the week you cannot leave until 4:00PM. You may enter different times on various days of the week.
- 15 Enter how far you are willing to drive – this is one-way. If you do not wish to travel, indicate that you will not fly or go more than xxxxx miles from your home.
- 16 You may put in a note in the space at the bottom if applicable. Then click **OK**.
- 17 Whenever you need to go to the main menu (first page), click the **Back** button.
- 18 If you are unsure that your information was entered correctly, log off and then log back on using your new, case-sensitive password and check the information.
- 19 Click on **Enter / Edit Specific Dates of Availability**.
- 20 Click on each month and enter the dates you are available to judge. Do this only one time. If you need to go back and check on what you entered, click on **List availability previously entered**. You can print this for your record. If you have entered a date more than once, click on the specific date and delete the duplicate. Entering this information twice may prevent you from being assigned...or even worse; you could be assigned twice on the same date to two different sites.

As assignments are made, they will be displayed in **Show My Assignments**. Check for your assignments frequently. The assigners will also send you an email to confirm your assignment. Remember, the contracts come from the schools. If you indicate you are available and then refuse an assignment, you cannot be reassigned to a college using this system *for that weekend*. An assigner who does not live in your area may contact you. Please be prompt in answering emails. If an assigner

## Guide to the Judges Assigning System (JAS) continued

does not hear from you, he/she may need to go on to another judge. If you do not check your email frequently, this system may not work well for you. Remember, *you will not be able to select a site.*

If you have problems using the system, log off and try again. At very busy times, you could find it difficult to enter the system. It does work and has been tested by the assigners and NAWGJ National Governing Board. Good luck and be patient in this transition year.

I am sure there will be many questions. The assigners and I will do our best to answer emails and help you with any confusion. Please remember these changes are being implemented to strengthen and support the collegiate teams and ultimately their athletes.

## Insurance Report

The possibility of getting insurance coverage for SGB members was discussed. We need to know the number of board members to be covered. RJD's are asked to get the number of elected state governing board members from their SJD's on Sunday and report to Carole. The constitution (p.2, Art. Sec. 1F) requires SGB's to have 5-9 elected members.

A discussion was held requiring Active Status Coordinators to be elected members of the State Governing Board. The discus-

sion was tabled and referred to the Constitution Committee (Evelyn Chandler (VP), Mary Lee Martin and Carole Liedtke). The committee will meet this weekend and report back to the National Board with recommendations. *Shipman/Smith – approved.*

## Vice President's Report – Evelyn Chandler

The Director's Guide and Operating Code will be updated and emailed to each NGB Member by the end of the summer. Taking over the responsibilities of the position and acquiring the materials has taken more time than expected.

## Treasurer's Report – Betty Sroufe

Betty distributed copies of the budget and membership report to each member and reviewed each. The current membership as of 4/04 was 1904. The national budget is currently \$128,000. Due to a successful Judges' Cup, proceeds will be transferred to the savings account to offset the deficit from 2002. In 6/03, the SJD's voted to send an assessment to the National Office for the next three fiscal years at the rate of \$6 - \$5 - \$5 per year until the national reserve is returned to its initial amount. This amount was to be revisited annually. A discussion was held and it was decided to continue with the \$5 assessment this year. If the Judges' Cup continues to be successful, it is possible that the 3<sup>rd</sup> year assessment may not be necessary. It was decided the \$5 would be assessed this year in the same manner as in 2003.

## National Judges' Cup Coordinator Report – Patty Shipman

The report for the 2004 National Judges' Cup held in Seattle, Washington was distributed. The meet showed a profit with judges from over 27 states represented. Carole Ide complimented Region II judges for their outstanding support and positive contributions.

At the NAWGJ Judges' Cup, the NAWGJ uniform is to be worn by all judges and meet personnel who are volunteering as NAWGJ members. *Liedtke/Sroufe – approved.*

Patty introduced a proposal asking that the coordinator's position be amended to include the coordinator as the meet director. She would like to increase consistency in communication, awards, meet alignment, etc. A motion was made to change the format of the National Judges' Cup for one year to include: Patty Shipman will serve as Meet Director and pay the expenses of a small staff to assist her and NAWGJ awards will be developed. *Ragle/Lord – 9 approved, 1 abstention.*

## Librarian – Judy Dobransky

### Old Business

**NAWGJ Compensation Package** – Carole Ide and Evelyn Chandler will take the work that the compensation committee recommended in June 2004 and update it and email it all national board members.

**NAWGJ Symposium, DoubleTree Hotel, Portland-Lloyd Center, Portland, Oregon, July 14-17, 2005** – A committee (Chandler, Ragle, Smith, Lord, Leidtke, Shipman) reported the following recommendations: Lisa Boylan was named as the on-site director and will serve as a spokesperson with the hotel. Patty Shipman will try to get all of the information from the former symposium director. Sheila Ragle volunteered to be the chairperson of the registration committee. Other committees will be developed in the near future with the initial flyer to be mailed to all members in early September.

### New Business

**NCAA Assigning Proposal** – Beverly Plocki and Mike Lorenzen addressed the board and explained the proposal the NACGC/W will be presenting to the NCAA that is to have the NAWGJ appoint twelve assigners and a National Coordinator to assign judges for the 2005 season. Smith/Synol -approved. If the NCAA accepts the coach's proposal, Carole Ide was selected to serve as the National Coordinator for NAWGJ. Panichas/Ragle – approved.

For the pilot year, the 12 assigners will be selected from those who complete applications. A committee (Pat Panichas, Janet Packwood, and Evelyn Chandler) will assist Carole in selecting the assigners.

The tentative proposal indicates schools will pay \$15 per judge assigned. The assigners will be asked to return \$3 of that amount to NAWGJ (national) to cover first year costs, assigning insurance and needed conference calls.

### Judges' Certification, Inc. (JCI)

Carole announced the USAG has informed Judges' Certification, Inc. that their services will no longer be needed commencing with the first testing in the summer of 2005. After much discussion, Cindy Lord, Mary Lee Martin, and Bonnie Synol were selected to draft a letter to be sent to the USAG office in support of keeping the certification of judges by JCI. Sue Ammerman, JCI president, will address the state judging directors in their workshop on Sunday.

**Legal Assistance** – A discussion was held as to the merits of having an attorney on retainer. Carole will do some research and get back to the board.
